To Whom It May Concern,

The Bitterroot Dairy Goat Association (BDGA) was founded in 2016, by dairy goat owners of the Bitterroot Valley, as a 501c7 non-profit "social" organization. The mission of BDGA is focused on promoting the many benefits of dairy goats and to bring new interest to our community. The public is always welcome to join our educational classes, outreach programs, special events, and our annual American Dairy Goat Association (ADGA) sanctioned show.

On June 20, 2020, we are excited to be hosting our 4th Annual ADGA Sanctioned Dairy Goat Show at the Ravalli County Fairgrounds in Hamilton, MT, exclusively for dairy breeds. It is one of the largest dairy goat show in Montana. As this show continues to grow, it is gaining a great deal of interest from across Montana and our neighboring states and brings many visitors to our beautiful valley. We anticipate this event will be very successful, positive, and fun for all participants and the public.

While the largest portion of BDGA funds are generated by our members and show entries, we also rely our local communities and their generous donations to help support this show. All of our sponsors will be listed on our webpage and will be given a spotlight on the BDGA Facebook page. All donations are used as either raffle items at our show or funds to support the show.

On behalf of the BDGA members, we are requesting donations in the form of funds or items for the raffle.

We thank you for your consideration and support of the Bitterroot Dairy Goat Association. We hope to see you June 20, 2020 at our ADGA show.

If you would like to be notified of upcoming events, please email us at bitterrootdairygoatassociation@gmail.com.

Sincerely,
