To Whom It May Concern,
The Bitterroot Dairy Goat Association (BDGA) was founded in 2016, by Bitterroot Valley dairy goat owners and breeders. Since the foundation we now have grown to have members from all over MT. BDGA is a 501c non-profit organization. The mission of BDGA is to promote dairy goats and their many benefits. This has be accomplished in a variety of ways; through education, presentations, clinics, events and sanctioned shows.

We are very excited to be hosting our 7th Annual American Dairy Goat Association (ADGA) sanctioned goat show on June 10th, 2023 at the Ravalli County Fairgrounds in Hamilton, MT.
The BDGA Show generated a great deal of interest in dairy goats owners not only in the Bitterroot and immediate surroundings communities but also throughout Montana and neighboring states. We anticipate this event will be very successful, positive and fun for all participants and the public at large.
